For Immediate Release

ICC SOLUTIONS PROUDLY BECOME FOUNDER PATRONS FOR WARRINGTON YOUTH CLUB

During 2016, Warrington based award-winning ICC Solutions Limited supported local children and young people's organisation, OnSide Warrington Youth Club. Support was given through a range of fundraising activities, whilst the company celebrated twenty years in the business and their second Queen's Award for International Trade.

ICC Solutions has continued to build on their support for the charity, and announced this year that they have become Founder Patrons of OnSide Warrington Youth Club. Through this invaluable support the charity will move a step closer to making the vision of a Youth Zone in Warrington a reality, providing excellent social and educational opportunities for children and young people from across Warrington every day of the year.

ICC Solutions was awarded a second Queen's Award for Enterprise in Innovation earlier this year, its fourth overall Queen's Award. The company, is regarded as a global leader in the provision of highly efficient EMV (known as Chip & PIN) test and certification tools.

Warrington Youth Club is the largest voluntary sector Youth Club in the town and currently works with over 2000 young people each month from ages 7-25. They believe in "Inspiring young people to achieve". As well as their action-packed school holiday clubs they support young people with social, emotional, fitness, educational and personal development programmes.

Dave Maisey, co-founder of ICC Solutions, commented "We are very proud to be associated with OnSide Warrington Youth Club and the development of a purpose built Youth Zone in Warrington. This facility will allow the charity to give local young people the same excellent activities they have in many other towns across the country."

Dave McNicholl, CEO said "As a registered charity we are not guaranteed funding and rely on supporters and fundraising. The Founder Patrons give us a regular source of income towards the development of the Youth Zone and its running costs which currently stand at £1,250,000. It's great to have businesses like ICC support our charity and give something back to the community and Dave and Wendy are so passionate about working with us to support the children and young people of Warrington. We are absolutely thrilled to have them on board as we enter the next stage of the development of the charity which was established in Warrington in 1930."

ENDS

- Onside Warrington Youth Club is a registered charity (No 110186) based right in the heart of Warrington. The Club is open four days a week and welcomes all young people aged 7-25 years old.
