

YESpay Card Packs

ICC Solutions is the leading provider of contact and contactless EMV test cards for the UK and European merchant market. Test cards from ICC Solutions are used successfully worldwide facilitating in-store training of cashiers complimenting induction programmes and ongoing staff training needs. These test cards enable training programmes to be individually tailored by merchants ranging from just one card per store to a complete set for each payment brand depending on each merchant's requirements.

We are pleased to offer YESpay Combined (Contact and Contactless) Retailer training card pack for consideration to meet your pre-validation test requirements with WorldPay.

The YESpay Retailer training card pack (8 chip test cards including American Express) consists of:

- Mastercard Credit PIN (Contact)
- Visa Credit Signature (Contact)
- Visa Chip and PIN and Signature (Contact)
- International Maestro (Contact)
- Mastercard PayPass
- Visa CDET/ payWave
- Amex Contact (Contact)
- Amex ExpressPay

The contact cards have PIN values configured for PIN validation successful (1234 or any PIN except 5678/1122), Invalid PIN (5678), blocked PIN (1122) noting PIN is not actually blocked, it is simulated so cards can be re-used.

The YESpay Retailer training card pack (6 chip test cards excluding American Express) consists of:

- Mastercard Credit PIN (Contact)
- Visa Credit Signature (Contact)
- Visa Chip and PIN and Signature (Contact)
- International Maestro (Contact)
- Mastercard PayPass
- Visa CDET/ payWave

NOTE: All contactless cards are type A.

If you prefer, you may choose individual RCTP cards from any of the packs.

Please note that these test cards are intended for basic transaction / confidence testing and training purposes only and are NOT intended to be used in a live environment. These cards are not suitable for cardholder not present transactions and should only be used with a test host or in training mode on a terminal loaded with relevant payment scheme test keys. Retailer training cards have encoded mag-stripe (track 2 only) suitable for testing fall-back.

Card expiry dates:

- American Express Jan 2020
- Visa Dec 2022
- Maestro/Mastercard Dec 2025
